There are many great inventions. I think paper is a great invention. People can write on it. People can draw on it. People can use it to make a lot of books. Children can make toys with paper, too. Paper is important to our life.

范文 5 Chinese festivals 范文

My favourite festival is the Spring Festival. It is in January or February. It is cold. At this festival, we usually visit friends and relatives. We often get red packets (with some money in them). We watch fireworks at night. We usually eat fish and dumplings. I like it because I can get red packets and play fireworks.
